Nestled on the mountainside over the gated High Vista Community, this 3162 sf, 4 beds, 3 bath home offers a private wooded setting with south/southwest views. Enjoy the decks and patio for tranquil outdoor living or snuggle into the lower level media room and enjoy the TV with surround sound. The main level features a vaulted great room, office and 3 bedrooms (including primary), 2 full bathrooms, sunroom and a wonderful kitchen with island and all stainless steel appliances with an open beam ceiling. In addition to the media room, on the lower level you'll find the a 3rd private bedroom and full bath along with the utility room and garage access. This is the conveniently located mountain home you've been looking for. Buyer has option of assuming POA Membership.
